What is FTTK Day?

Forever to Thee Kids (FTTK) Day is USCDM's largest push day of the spring semester. This year on February 8th and 9th, USCDM will come together in hopes to raise \$100,000 for the Child Life Program at Prisma Health Children's Hospital - Midlands. Throughout the 48 hours USCDM will be present on campus in a variety of ways. Tuesday, we will be hosting a blood drive in partnership with Carolina-Clemson Blood Drive as well as tabling on Greene Street during the day. At night, we will be hosting a Valentine's Day event for our Miracle Kids. On Wednesday, we will be celebrating 52 days until registration closes for Main Event 2022. Come visit us on Greene Street for a mini Main Event during the day. That evening we will be hosting a DJ rave where we will be revealing our final total for the push day. The number 52 is representative of the number of inpatient beds in the Prisma Health Children's Hospital - Midlands and is also our hero fundraising minimum for the year.
